WORK EXPERIENCE

LIONBRIDGE TECHNOLOGIES, LLC

QA Tester | May 2023 – January 2024

- Conducted functional, regression, and compatibility testing to identify bugs and ensure quality gameplay on storied AAA games in a live environment.
- Logged detailed bug reports and worked with AAA game developers and QA during testing phases.
- Reviewed UX and adapted to game updates while tracking industry trends and tools.

WENDYS

Shift Manager | May 2014 – October 2020

- Managed shift teams, fostering collaboration and clear communication in fast-paced settings.
- Maintained high standards of quality and consistency, aligning with detail-oriented design work.
- Solved problems in real time and optimized workflows, reflecting strong systems thinking.
